## Representative Driehaus Congratulates Summer Readers!

Denise Driehaus, Ohio State Representative from the 31<sup>st</sup> District (seated), visited the Covedale Branch Library to congratulate several of the more than 34,000 readers who participated in the Public Library of Cincinnati & Hamilton County's 2010 Summer Reading Program. Joining Representative Driehaus was the Library's Executive Director Kim Fender. A recent study by the Dominican University Graduate School of Library & Information Science found that students who participated in public library summer reading programs had better reading skills at the end of third grade and scored higher on standard tests than the students who did not participate.
